me: got this in my e-mail
me: re: psi phenomena:

Should this interest you....

An aspect of the "mind" does transcend space and time, and researchers at Princeton University have verified that fact, based on material submitted to them.

I'll provide exact details, but a 'phone conversation is suggested first....

Joshua: are you going to call it
me: already did, left him a message
Joshua: and how is mass effect coming?
me: haven't played yet, been working
me: but I'm about to
Joshua: call this number (903) 595-2607
me: no lol
Joshua: why lolololol
me: I DUNNO LOL
Joshua: it's my office number - i need to check that incoming calls are being transfered properly
Joshua: lolol
Joshua: :)
Joshua: also this is my work number as well that i would like you to call - 903.566.1199
Joshua: lolololol
me: k lol one sec
Joshua: http://www.captainchicken.org/txdrivein/tx_tyler_apache/story1.shtml
me: okay
me: I'm having some phone problems
me: you'll have to get another volunteer
Joshua: oh no!
me: my track ball won't move left
Joshua: how could that be

Joshua: how could that effect your ability to call
Joshua: why?
me: ha
me: you are right, actually
me: sorry, I'm stoned
Joshua: lolololol
me: called the first one, went to a message, calling second now
Joshua: was it my answering machine?
me: wtf, that was a store
Joshua: oh no!
Joshua: what kind of store
Joshua: ?
me: no idear
Joshua: thats amazing lol
me: okay
me: did two articles this mornin
me: did a little corresponding
me: called mommy
me: took my vitamins
Joshua: basketball?
me: got a little sun
me: and no
me: nope
me: gonna play Mass Effect 2
me: oh also it turns out i have like $50 in my account lol
Joshua: keep me updated
Joshua: lololol
me: so I can go score chicks with you
me: I'm thinking
me: when you get back with my card
me: I'm gonna buy some meat
Joshua: well tonight is hanging with brian i think
me: and grill-friendly vegetables
me: oh, very well
Joshua: awesome
Joshua: but if not - score some chicks
me: maybe he'd like to have a barbecue in a Brooklyn backyard?
me: ?!?!?!?
me: PROBABLY NOT THOUGH
me: we'll do it on Saturday maybe
Joshua: sounds goooooooooooood
Joshua: how's mass effect going?

me: pretty damn well
Joshua: what have you done?
me: curing the plague
me: is my card here or do you have it?
me: need some tobacci
Joshua: i have it
Joshua: lolololol
Joshua: lol
me: lol!
Joshua: olololololoooollllljajajajajajajajajaja
